

# NW Peaks Brewery Menu

Beer	Description	ABV	Hops
 <b>Prism Pils</b>	The water profile of this Pilsner-style lager was carefully crafted to mirror the water that runs down the mountains of the western Czech territories. A mountainous portion of Perle and Saaz hops rounds out this crisp, flavorful beer.	5.6%	Perle & Saaz
 <b>Golden Hour Belgian Ale</b>	Flavorful, refreshing, and Instagram-ready, this Belgian Golden is jam packed with flavors of Banana Creme Pie, cinnamon, cardamom, and clove. Spritzy carbonation and a light lingering citrus note make it the perfect sunset crusher.	6.4%	Amarillo Gold & Saaz
 <b>Beer Squatch Brown Ale</b>	American Brown Ale--the Definition of crushable. Chocolate and tobacco malt notes. Spritzy light hop finish.	5.8%	Magnum, Nugget, Perle
 <b>Redoubt Red Ale</b>	A Dry-Hopped red/amber ale, the flavor and aroma is dominated by the hops, with a nice blend of complex fruit and spice notes. Pale, wheat, and rye malts give a delicious malty backbone.	5.2%	Herkules, Hallertau, Liberty, & Columbus
 <b>Eldorado Extra Pale Ale</b>	A hoppy EXTRA pale ale, this refreshing pale has an extra little kick. It's dry-hopped and slightly bitter, with a delicious, lightly-fruity malt.	6.5%	Chinook, Cascade, Centennial, & Eldorado
 <b>Just Beet It Pale Ale</b>	This flavorful, crisp, mildly-hopped American Pale Ale was brewed with freshly blanched beets...you better BEETlieve it's delicious. It's the perfect beer for Fall, with balanced earthiness and a distinct taste that can't be BEET!	6%	Liberty, Simcoe, & Magnum
 <b>Red X IPA</b>	A light, semi-sweet red IPA with notes of toffee, biscuit, and stone fruit. German "Red X" malt gives a unique red tint to this super-crushable, flavorful beer.	5.1%	Liberty, Simcoe, & Magnum
 <b>Android Dreams Double IPA</b>	A predictably unpredictable beer, this extremely drinkable hazy DIPA leads with sweet notes of melon and citrus rind, before it transitions into a dry, bitter hop finish.	8.5%	Columbus, Mosaic, Chinook. Columbia, Citra, & Centennial
 <b>Dragontail Scotch</b>	Scotch Wee Heavy. Caramel notes, sweet flavorful malt body. Easy drinking for a heavier beer.	7.2%	
 <b>Dragon's Toe Scotch</b>	Scotch Wee Heavy. Fermented with Kveik Yeast. Caramel and sweetness, with notes of apples and herbs. Slight funk.	6.8%	
 <b>I Can't Believe* It's Not Coffee Porter (Nitro)</b>	Robust Porter with roasted malts, roasted cacao nibs, and Madagascar Vanilla. The result is a delicious beer reminiscent of a tasty cup-o-Joe without any of the downsides of coffee....like not being beer. CONTAINS NO COFFEE. Seriously.	6.9%	
 <b>Sour Blonde</b>	Traditional Sour. Blonde Ale aged in oak barrels for 12 months. Wild yeast gives this beer a sour funk sure to make you pucker.	5%	
 <b>White Horse Wheat Wine</b>	Like a barleywine, but brewed predominantly with wheat. We aged this unique ale for 9 months on Brettanomyces, giving it a boozy sweetness with a funky wild yeast twist.	9.5%	
 <b>Local Hard Cider</b>	Rotating. Ask the bartender!
